

INVESTMENT MANAGEMENT AGREEMENT

GENERAL TERMS AND CONDITIONS OF M2H GROUP LLC

1. INTRODUCTORY PROVISIONS

1.1. These General Terms and Conditions (the “Terms and Conditions” or the “Agreement”) govern the rights and obligations of M2H GROUP LLC and the Client in connection with the provision of discretionary trading and account management services by M2H GROUP LLC on a trading account held by the Client on the MetaTrader 5 (“MT5”) platform.

1.2. M2H GROUP LLC is a limited liability company duly organized and existing under the laws of the State of Wyoming, United States of America, having its registered office at 30 N Gould St, STE R, Sheridan, WY 82801, USA, duly represented for the purposes of this Agreement (hereinafter “M2H GROUP”, the “Company” or the “Manager”).

1.3. The client is any natural person of legal age or legal entity who accepts these Terms and Conditions and engages M2H GROUP to manage, on a discretionary basis, a trading account opened in the Client’s own name with a third-party broker compatible with the MT5 platform (hereinafter the “Client”). The Client’s full identity, address, tax residency and all required information are collected in the onboarding form or any annexed documentation.

1.4. By signing this Agreement, ticking an electronic acceptance box, or otherwise granting a management mandate to M2H GROUP, the Client acknowledges having read, understood and accepted all of these Terms and Conditions without reservation. If the Client does not agree with any part of these Terms and Conditions, the Client must not use the services of M2H GROUP.

1.5. The services offered by M2H GROUP are strictly intended for persons over eighteen (18) years of age who have full legal capacity and reside in jurisdictions where the receipt of such services is not prohibited by applicable law. The Client represents and warrants that he or she meets these criteria. M2H GROUP reserves the right to refuse any Client who does not meet such criteria.

1.6. M2H GROUP does not provide services to clients who are the subject of international sanctions, are located, domiciled or resident in restricted or sanctioned jurisdictions according to applicable international, U.S., EU or other relevant regulations, or who have criminal records related to financial crime or terrorism. The Company reserves the right, at its sole discretion, to refuse, suspend or terminate any services in case of reasonable doubt regarding the Client’s compliance status.

1.7. The Client acknowledges that this Agreement constitutes a mandate for discretionary management of a real trading account that the Client holds with a third-party broker. M2H GROUP is not the counterparty to the trading operations, does not at any time hold the Client’s funds and does not have any technical or legal access to withdrawals or outward transfers of funds from the Client’s account.

1.8. The French version of these Terms and Conditions may exist for convenience; however, the English version shall prevail unless otherwise expressly agreed. Any translation is provided for convenience only and shall not alter the legal meaning of the English version.

2. DEFINITIONS

2.1. For the purpose of these Terms and Conditions, the following terms shall have the meanings set forth below, whether used in the singular or plural.

2.2. "Trading Account" means the real trading account opened in the Client's name with a third-party broker, accessible via the MetaTrader 5 platform, and for which the login credentials are communicated by the Client to the Manager solely for the purpose of managing trading positions.

2.3. "Broker" means any regulated or unregulated entity freely chosen by the Client that provides access to financial markets and hosts the Trading Account on MT5. Unless expressly stated otherwise, the Broker is not a subsidiary, subcontractor or contractual partner of M2H GROUP.

2.4. "MT5 Platform" or "MT5" means the MetaTrader 5 trading platform, or any equivalent platform, enabling the execution of transactions in financial markets.

2.5. "Services" means all discretionary management services, execution of trading orders, monitoring and management of positions on the Client's Trading Account, as well as any ancillary services described in this Agreement.

2.6. "Profits" or "Net Profits" means the net profit generated on the Client's Trading Account over a given period, after taking into account losses, commissions, financing fees, swaps and, where applicable, withdrawals made by the Client, calculated in accordance with the methods defined in Section 7 below.

2.7. "Compensation" means the portion of Net Profits due to M2H GROUP, contractually set at fifty percent (50%) of the Net Profits, unless otherwise agreed in writing by the Parties.

2.8. "Parties" means collectively M2H GROUP and the Client; "Party" means any one of them individually.

3. PURPOSE OF THE AGREEMENT

3.1. The purpose of this Agreement is to organize, for the benefit and on behalf of the Client, the discretionary management by M2H GROUP of a real Trading Account opened and held by the Client with a third-party Broker.

3.2. Under this discretionary management mandate, M2H GROUP is authorized to make, autonomously, all decisions to buy, sell, close, modify or manage trading positions, including risk management, that it deems appropriate for the implementation of its trading strategy, within the limits of the authority granted under this Agreement.

3.3. The Client remains the sole owner of the Trading Account, the cash deposited therein and any open positions or instruments held in such account. M2H GROUP does not become, at any time, the owner or co-owner of any funds or instruments.

3.4. It is expressly agreed that M2H GROUP cannot, technically or contractually, conduct any withdrawal of funds, transfer or outward movement of money from the Client's Trading Account. The Client remains, at all times, in exclusive control of deposits and withdrawals.

3.5. This Agreement does not constitute a public offering of securities, a public fund, a collective investment scheme or a financial product offered to the general public. It is an individual discretionary management mandate, entered into directly between M2H GROUP and the Client.

4. NATURE OF SERVICES AND NO INVESTMENT ADVICE

4.1. The Services provided by M2H GROUP consist exclusively in the discretionary trading and management of the Client's Trading Account. M2H GROUP alone decides on the timing, nature and opportunity of all trading operations, without prior instruction or approval from the Client and without any requirement for the Client to validate orders.

4.2. M2H GROUP does not act as the Client's independent financial advisor within the meaning of investment advice regulations, nor as a portfolio manager subject to specific regulatory licensing requirements, unless explicitly stated otherwise in a regulatory annex.

4.3. No information provided by M2H GROUP, whether in writing, orally, electronically, through a dashboard, performance report or any other medium, shall be construed as personalized investment advice, an investment recommendation, or a solicitation to buy or sell any financial instrument initiated by the Client.

4.4. The Client acknowledges that no guarantee of return, no promise of profit, no commitment to capital protection, and no assurance of loss limitation has been given. The Client understands that no past performance, whether communicated or not, constitutes any guarantee or reliable indication of future performance.

4.5. The Client acts as a sophisticated or, at minimum, an informed investor, fully aware of the risks inherent to the trading products used (currencies, CFDs, indices, commodities, crypto-assets or any other instruments accessible through MT5) and accepts such risks in full.

5. OPENING AND ADMINISTRATION OF THE MT5 ACCOUNT

5.1. The Client is solely responsible for opening the Trading Account with the Broker of his or her choice, satisfying all “know your customer” (KYC) and compliance procedures, and complying with the Broker’s general terms and conditions.

5.2. The Trading Account must be opened and maintained in the Client’s own name. The Client may not use an account held by a third party, unless M2H GROUP has given its prior written consent.

5.3. The Client shall provide M2H GROUP with the login credentials necessary for the management of the Trading Account, including the MT5 account number, the trading server and a “trader” password or any other access enabling position management but not withdrawals. The Client remains responsible for the security and confidentiality of such credentials.

5.4. M2H GROUP shall use these credentials solely to execute trading operations, monitor and manage positions. M2H GROUP shall not modify withdrawal parameters, change bank details or alter the Client’s personal information held by the Broker.

5.5. The Client agrees not to interfere with the Trading Account in a way that materially disrupts the Manager’s strategy (for example, massive manual openings or closures of positions, arbitrary changes of lot sizes or leverage). The Client may, however, at any time, decide to terminate this Agreement in accordance with Section 13 and, if necessary, manually close all open positions at his or her own responsibility.

5.6. The Client shall ensure that a sufficient level of capital is maintained in the Trading Account to allow the implementation of M2H GROUP’s trading strategy. In the event of a substantial reduction of capital, significant withdrawals, or market conditions incompatible with the strategy, M2H GROUP reserves the right to reduce trading activity, temporarily suspend operations or terminate the Agreement.

6. MANAGEMENT MANDATE AND AUTHORITY OF THE MANAGER

6.1. By this Agreement, the Client grants to M2H GROUP a discretionary management mandate, authorizing M2H GROUP to initiate and close, in the name and on behalf of the Client, trading operations on the Trading Account, within the scope of the authority set forth herein.

6.2. M2H GROUP is authorized, without prior consultation of the Client, to buy, sell, open, close, increase or reduce positions in any instrument accessible via the Broker’s MT5 Platform, adjust the leverage used, place pending orders, stop losses, take profits and conduct any ancillary operation directly related to the management of the Trading Account.

6.3. M2H GROUP is not authorized to perform withdrawals of funds, order transfers to bank accounts, modify withdrawal details or alter the Client's personal information at the Broker level. Any request for withdrawal of funds must be initiated directly by the Client with the Broker.

6.4. M2H GROUP manages the Trading Account on a global and discretionary basis, in accordance with its proprietary risk management approach, which may include the size of positions, instrument correlation, market volatility, macroeconomic events and any other relevant professional consideration.

6.5. The Client accepts that M2H GROUP may, at its discretion and depending on market conditions, remain entirely out of the market and open no positions during certain periods, or on the contrary, maintain positions open for durations it deems appropriate, without such behavior constituting a breach of its obligations.

6.6. The Client acknowledges and agrees that certain risk parameters, such as a maximum loss per period, cannot be guaranteed or contractually fixed as an absolute ceiling, as financial markets may experience extreme movements, gaps or technical failures beyond the Manager's control.

7. COMPENSATION AND PROFIT SHARING

7.1. In consideration for the Services rendered, M2H GROUP shall be compensated by a share of the Net Profits generated on the Client's Trading Account.

7.2. The profit share is set at fifty percent (50%) of Net Profits for the benefit of M2H GROUP and fifty percent (50%) of Net Profits for the benefit of the Client, unless otherwise agreed in writing between the Parties.

7.3. For purposes of this Agreement, "Net Profits" for a given reference period means the difference between (i) the value of the Trading Account (balance or, if agreed, equity) at the end of the period and (ii) the value of the Trading Account at the beginning of the period, adjusted for deposits and withdrawals made by the Client and after deduction of all fees, commissions, swaps and charges billed by the Broker.

7.4. Unless otherwise agreed, the reference period for calculation is monthly. In principle, it runs from the first calendar day of the month to the last calendar day of that same month, or any other billing period agreed in writing (for example, a period aligned with the date of opening of the Trading Account).

7.5. If the Client withdraws profits during a period, the Parties agree that M2H GROUP is entitled, at the time of such withdrawal, to its share of Net Profits related to the withdrawn amount, calculated pro rata based on the performance achieved to that date and under the same calculation rules.

7.6. M2H GROUP may notify the Client, by any agreed means (e-mail, client portal, invoice), of the amount of its share of Net Profits for each period. Unless the Client raises a documented and reasoned objection within seven (7) days from such notification, the amount communicated shall be deemed accepted.

7.7. The Client undertakes to pay M2H GROUP the Compensation due within a maximum of seven (7) to fourteen (14) days from notification, by wire transfer, crypto transfer, internal transfer or any other payment method agreed by the Parties.

7.8. In case of repeated or unjustified non-payment of the Compensation, M2H GROUP reserves the right to immediately suspend all new trading operations, to terminate this Agreement and, where appropriate, to claim any outstanding amounts, together with applicable late interest, to the extent permitted by law.

7.9. In the absence of Net Profits for the period (zero or negative performance), no Compensation shall be due to M2H GROUP. Losses are borne entirely by the Client in accordance with Section 8 below.

8. TRADING RISKS

8.1. The Client expressly acknowledges and accepts that trading on financial markets, particularly through leveraged products (CFDs, forex, indices, commodities, crypto-assets or other derivative instruments), carries a high level of risk and may result in substantial losses, including the total loss of the invested capital.

8.2. The Client declares that he or she understands the concepts of volatility, leverage, margin call, stop out, slippage, market gaps, liquidity risk, counterparty risk and, more generally, market risk. The Client acknowledges that such phenomena may cause losses greater than anticipated, even when risk management measures are in place.

8.3. The Client acknowledges that past performance, historical results, backtests, simulations or any other performance information communicated by M2H GROUP, if any, do not constitute any guarantee or indication of future performance. Any performance communication is provided exclusively for informational purposes.

8.4. The Client is fully responsible for the decision to entrust the management of his or her Trading Account to M2H GROUP. The Client acknowledges that he or she has not been subject to any undue pressure or aggressive solicitation and that the decision was made independently, after evaluating his or her own financial situation, risk profile and eventual objectives.

8.5. The Client confirms that he or she is not using funds whose loss would be unbearable or would jeopardize personal or professional stability (rent, essential living expenses, critical debts, etc.). The Client undertakes not to invest capital borrowed under usurious conditions or funds necessary for essential needs.

8.6. M2H GROUP shall not be liable for any loss resulting from unfavorable market developments, extreme price movements, gaps, crises, central bank decisions, macroeconomic announcements, geopolitical events or any other exogenous factor.

9. LIMITATION OF LIABILITY

9.1. To the maximum extent permitted by applicable law, M2H GROUP's liability towards the Client is strictly limited to proven breaches of its contractual obligations of means (best efforts), and expressly excludes any obligation of result.

9.2. M2H GROUP shall not be liable for malfunctions, interruptions, delays, quotation errors, execution delays or technical defects attributable to the MT5 Platform, the Broker, liquidity providers, communication networks or any technical infrastructure outside the control of M2H GROUP.

9.3. M2H GROUP shall not be responsible for the consequences of any action or omission by the Client on the Trading Account, particularly in the event of uncoordinated manual interventions contrary to the management strategy (closing positions, changing lot sizes, modifying leverage, large withdrawals, etc.).

9.4. In no event shall M2H GROUP be liable for any indirect, consequential or non-economic damages, such as loss of opportunity, loss of chance, loss of profits, loss of revenue, reputational damage or moral harm, even if M2H GROUP has been advised of the possibility of such damages.

9.5. If, notwithstanding the above, M2H GROUP's liability is established by a final court decision, the total amount of damages that M2H GROUP may be ordered to pay shall, to the fullest extent permitted by law, be limited to the amount of Compensation actually received by M2H GROUP under this Agreement during the twelve (12) months preceding the event giving rise to the claim.

10. CLIENT OBLIGATIONS

10.1. The Client undertakes to provide M2H GROUP with accurate, complete and up-to-date information regarding his or her identity, address, tax residency, legal status and any other information necessary for compliance (KYC/AML).

10.2. The Client shall promptly inform M2H GROUP of any material change in his or her situation (change of address, bank, legal status, tax residency, significant legal proceedings, etc.).

10.3. The Client agrees to comply with the Broker's terms and conditions and not to use the Trading Account for any illegal, fraudulent or unlawful activity, including money laundering or terrorist financing.

10.4. The Client shall not grant access to the Trading Account credentials to third parties other than M2H GROUP where such sharing would result in multiple uncoordinated operators acting on the same account, unless specifically agreed in writing by M2H GROUP.

10.5. The Client remains responsible for all tax obligations in his or her country of residence and undertakes to declare, where required, any gains generated on the Trading Account as well as any payments made to M2H GROUP as Compensation, in accordance with applicable tax laws.

11. CONFIDENTIALITY AND DATA PROTECTION

11.1. M2H GROUP undertakes to maintain the confidentiality of information and data relating to the Client, the Client's identity, the Trading Account and the operations carried out therein, except where disclosure is required by law, by a request from a competent authority or by a regulatory obligation.

11.2. M2H GROUP may collect, store and process personal data relating to the Client in connection with the provision of the Services, the management of the contractual relationship, billing, compliance (KYC/AML) and fraud prevention.

11.3. Subject to applicable data protection laws, the Client may have rights of access, rectification and, where applicable, deletion of personal data. Practical details for exercising these rights may be specified in a privacy policy or upon written request to M2H GROUP.

11.4. M2H GROUP may share certain Client information with technical service providers, legal advisors, accountants or the Broker, only to the extent necessary for the performance of the Services or compliance with legal obligations.

12. COMPLIANCE, KYC AND ANTI-MONEY LAUNDERING

12.1. M2H GROUP complies with applicable anti-money laundering and counter-terrorist financing (AML/CFT) rules. Accordingly, M2H GROUP may request identification documents, proof of address, information on the source of funds and any additional information deemed necessary.

12.2. The Client agrees to fully cooperate with M2H GROUP and, where applicable, with the Broker, by providing the required information and documents. The Client's refusal to provide such information may result in suspension of the Services or termination of this Agreement.

12.3. In the event of suspicion of fraud, money laundering, terrorist financing or any illegal activity, M2H GROUP reserves the right to immediately suspend the Services, terminate the Agreement and, if required, report relevant information to competent authorities.

13. TERM, SUSPENSION AND TERMINATION

13.1. This Agreement becomes effective on the date of signature by the Client or electronic acceptance and is entered into for an indefinite term.

13.2. The Client may terminate this Agreement at any time, without having to provide any reason, by sending written notice to M2H GROUP (by e-mail or any other agreed means). Termination shall take effect upon M2H GROUP's confirmation of receipt or on a later date specified by the Client.

13.3. M2H GROUP may terminate this Agreement at any time, by written notice, in particular in the event of non-payment of Compensation, lack of cooperation by the Client in compliance matters, material or repeated breach of these Terms and Conditions, or if continuation of the relationship becomes incompatible with M2H GROUP's regulatory obligations or risk policies.

13.4. In the event of termination, M2H GROUP will cease initiating new trading positions on the Trading Account as soon as reasonably practicable, subject to technical and market constraints. M2H GROUP may, if expressly requested by the Client, close existing positions in an orderly manner. In the absence of clear instructions, M2H GROUP may simply cease intervening, leaving the Client fully responsible for managing or closing positions.

13.5. Termination of this Agreement shall not extinguish any financial obligations arising prior to the termination date, including payment of Compensation due on Net Profits generated up to such date.

14. INTELLECTUAL PROPERTY

14.1. All trading methods, strategies, risk management systems, indicators, algorithms, software, dashboards, logos, trademarks and, more generally, all intellectual elements developed or used by M2H GROUP in connection with the Services remain the exclusive property of M2H GROUP.

14.2. The Client is not granted any ownership or license rights over such elements, unless expressly agreed otherwise in writing. The Client shall not reproduce, copy, distribute, resell or otherwise exploit such elements, directly or indirectly, without M2H GROUP's prior written consent.

15. COMMUNICATION BETWEEN THE PARTIES

15.1. Unless otherwise specified, communications between M2H GROUP and the Client shall primarily take place electronically, including via e-mail to the addresses provided, via a client portal or any other digital channel agreed by the Parties.

15.2. Any change in contact details must be promptly communicated by the relevant Party. Until such change is notified and confirmed, communications sent to the last known address shall be deemed validly made.

15.3. The Parties acknowledge the evidentiary value of electronic communications (e-mails, electronically signed PDF documents, MT5 trading logs, etc.) in connection with the performance of this Agreement.

16. GOVERNING LAW AND JURISDICTION

16.1. This Agreement shall be governed by and construed in accordance with the laws of the State of Wyoming, United States of America, without giving effect to any choice or conflict of law provision or rule.

16.2. Any dispute arising out of or relating to the validity, interpretation, performance or termination of this Agreement that cannot be resolved amicably shall be submitted to the exclusive jurisdiction of the courts located in the State of Wyoming, unless mandatory law provides otherwise.

16.3. Before initiating any court proceedings, the Parties shall endeavor to seek an amicable resolution, through direct negotiations, mediation or any other alternative dispute resolution method they may consider appropriate.

17. MISCELLANEOUS

17.1. This Agreement, including any schedules or amendments attached hereto, constitutes the entire agreement between M2H GROUP and the Client and supersedes all prior agreements, negotiations, communications or undertakings, whether oral or written, relating to the same subject matter.

17.2. Any modification of these Terms and Conditions must be in writing, dated and accepted by both Parties. M2H GROUP may, where appropriate, propose contractual updates electronically; continued use of the Services after notification may be deemed acceptance, subject to applicable law.

17.3. If any provision of this Agreement is held null, invalid or unenforceable by a court of competent jurisdiction, such invalidity shall not affect the validity of the remaining provisions, which shall remain in full force and effect. The Parties agree to replace any invalid provision with a valid one that most closely reflects the original intent.

17.4. The fact that either Party does not enforce any provision of this Agreement at any given time shall not be construed as a waiver of such provision or of the right to enforce it in the future.
